CAROL J. PROTCH
TITLE I COORDINATOR

TITLE I 2011 – 2012

Title I is initiating two new programs for Title I students in Avalon and Bellevue Elementary Schools.

- **Leveled Literacy Intervention Program** – Grades K through 2. This program focuses on implementing small group interventions for students who find reading and writing difficult to learn. The goal of the program is to bring students up to grade level in an 18 week period. It is designed to supplement the regular classroom reading program.
- **Fast ForWord** – Selected Title I students in grades K – 6 will be experiencing the Fast ForWord intervention program. This is a computer based software program that helps students improve basic cognitive brain functions that are essential to learning. Students using the program will benefit from improved memory, attention, processing and sequencing. These skills assist students in becoming better learners.
